Dear Perrin,

I enclose herewith a copy of a letter which I have received from Mr. Chris Brown, with whom I have been corresponding for some time on the subject of environmental health problems.

Mr. Brown represents the concerns of many, many people across our country, some of whom live in my own constituency and I am sure some live in yours.

I would very much appreciate your looking into this matter personally and I look forward to hearing your comments in this regard.

Yours sincerely,

Alan Redway, M.P.
